

# Altamuskin's June News

A great big thank you and well done to all our PTA and voluntary helpers, that worked so hard preparing for our Altamuskin football tournament, Mass, fun day and steak BBQ.

It was a great success.

What a fantastic day and the sunshine made it all the more pleasant.

All monies raised will go towards upgrading our computer suite.

## Sports day 2018 Swimming Gala 2018

Our Annual Sports day will be on Thursday June. Children will be participating in non competitive activities as well as traditional running races etc. Everyone is welcome to come along!

The school will be broken into teams relating to the counties competing in this years Ulster Championship and will compete for points to become team of the year.

Dress in your counties colours- but don't feel you need to buy a jersey! Teams will be announced later in the month.

Fingers crossed for good weather!

Omagh leisure complex will be the venue for the swimming gala.

Thursday 14th June 2018

Congratulations to our school team attending the event.

## PI Induction/Stay and Play!

We were very excited to welcome our 6 new P1's last week. We hope they feel very welcome in our school!

## Healthy Eating Week 2018

Healthy Eating week is on 19th-23rd June. Our focus for this year is on ensuring everyone is bringing a healthy lunch box. Most children are bringing in great healthy lunches, however, many are not eating everything they are given in their lunch box.

In order to ensure families are not going to expense buying food that goes uneaten, we have put in place some rules to help the children with eating their lunch. It will also help parents see what is being eaten and which items are not:

1. If we find that your child is not eating items in their packed lunch we encourage them to bring it home for you to discuss this with them.
2. Pupils should eat their own lunch and never swap food.
3. Children are encouraged to eat sandwiches first.

## Farm Safety Learning

Farms are fun places — with all that fresh air, sunshine, and room to run around. But they're also places where real work gets done. And some of that work involves equipment that can be dangerous if someone doesn't know

## Prizegiving

Save the date: 27th June at 1:30pm

All welcome to help us celebrate our successes!

how to be safe.

Remember Kevin's top tips!

## Football Tournaments

During the year KS2 children are given lots of opportunities to play in competitive and non-competitive Blitzes. During the non-competitive blitzes all the children who attend will get equal opportunity to play, with a focus on improvement. At a competitive blitz the team that is most likely to win will be picked and there is no guarantee that all children will get to play, nor that they will get to play in the position they wish to play. We aim to have a mix of the two different types of events throughout the year.
